

WordPress & Shopify Client-Facing Developer and Project Manager **Outsourcing Companies please do not apply, this position is in-house only.**

Job Description: Client-Facing Shopify and WordPress Website Developer

Company Overview:

Riithink is a dynamic and innovative marketing agency that specializes in delivering comprehensive digital solutions to our diverse range of clients. We are seeking a skilled and client-focused Shopify and WordPress Website Developer to join our team. If you are a talented developer with a passion for creating visually appealing and highly functional websites, we want you to help us bring our clients' visions to life.

Position: Client-Facing Shopify and WordPress Website Developer & Project Manager

Location: Remote

Job Overview

As a Client-Facing Shopify and WordPress Website Developer, you will play a crucial role in designing, developing, and maintaining visually stunning and user-friendly websites for our clients. Your technical expertise, creativity, and ability to understand and meet client requirements will be pivotal in creating impactful digital experiences that drive engagement and conversions.

Responsibilities:

- **Website Development:** Build and customize Shopify and WordPress websites that align with clients' brand identities and business objectives. Translate design concepts into fully functional and responsive websites that offer an exceptional user experience.
- **Client Collaboration:** Work closely with clients to gather website requirements, understand their vision, and provide expert recommendations. Maintain clear communication throughout the development process, addressing questions and concerns promptly.
- **Customization and Coding:** Customize themes, templates, and plugins to meet specific client needs. Write clean, efficient, and maintainable code to implement custom functionalities and features.
- **E-Commerce Integration:** Develop e-commerce websites with Shopify, implementing product catalogs, shopping carts, secure payment gateways, and inventory management systems.
- **Responsive Design:** Ensure websites are optimized for various devices and screen sizes, delivering consistent functionality and aesthetics across desktop, tablet, and mobile platforms.
- **Performance Optimization:** Implement best practices to optimize website performance, loading speed, and SEO to enhance user experience and search engine rankings.

- Quality Assurance: Conduct thorough testing and debugging of websites to identify and resolve any issues, ensuring a seamless and error-free user experience.
- Maintenance and Updates:** Provide ongoing website maintenance, updates, and technical support. Stay informed about platform updates, security patches, and industry trends.
- Collaboration: Collaborate with design teams, content creators, and other developers to ensure cohesive branding and seamless integration of design elements and functionalities.

Qualifications

- Bachelor's degree in Computer Science, Web Development, or a related field and/or 3-5 years minimum experience.
- Proven experience 3-5 years in Shopify and WordPress website development.
- Proficiency in HTML, CSS, JavaScript, PHP, and other relevant programming languages.
- Strong understanding of responsive design principles and mobile-first development.
- Experience with Shopify theme development, liquid programming, and app integration.
- Familiarity with WordPress CMS, themes, plugins, and customization.
- Solid knowledge of SEO best practices and website optimization techniques.
- Excellent problem-solving skills and attention to detail.
- Effective communication skills to interact with clients and team members.
- Ability to manage multiple projects and meet deadlines in a fast-paced environment.

Perks and Benefits:

- Competitive salary and performance-based incentives.
- Health and Dental Benefits with employment offer.
- Opportunities for skill development and continuous learning.
- Collaborative and innovative work environment.
- Access to cutting-edge web development tools and resources.

If you are a motivated and skilled website developer with a passion for creating exceptional digital experiences, we encourage you to apply for the Client-Facing Shopify and WordPress Website Developer role at marketing@riithink.com. Join our team and contribute to our mission of delivering outstanding digital solutions for our clients.
